

Receipt of a heating 'energy performance certificate' in practice

To prepare for our visit

To be ready for our visit:

- The heating system (radiators, thermostatic valve, thermostat, etc.), as well as the boiler, should be **in place and active**.
- Provide the log book (document attached to this email).

We will carry out your receipt of the Type 1 heating 'energy performance certificate'. A type 1 system includes a single boiler with a power of **maximum 100 kW**. A boiler in a detached house falls in this category.

In the case of cancellation within the 24 business hours preceding the day of the meeting (or within 48 business hours if the cancellation falls on the day before a bank holiday or within 72 business hours if the cancellation falls on a weekend), you will be billed up to €96.80 (tax included) for the booked inspection.
